We request all images be labeled naming Chanticleer as the location. If the image is digitally captured, Chanticleer should be included in the metadata as the location. Wedding/Family photography by professional photographers is not allowed in the garden.

We ask you to abide by the following guidelines while on the property:

- All photographers must sign a permission form indicating that any photographs or video/film footage taken at Chanticleer will not be used for advertising commercial products or services.
- Set up tripods on lawns or terraces not in garden beds, and allow movement around you.
