

Bryan Christ

Bryan is Chanticleer's Facilities Manager and a jack-of-all-trades. He started as a Groundskeeper at Chanticleer in 2003 and grew his responsibilities to include facilities in 2006, when he became the Assistant Facilities Manager. Bryan has worked on many of the large projects throughout the garden, including the Asian Woods restrooms, Visitor Services Pavilion, the Greenhouses, and the Elevated Walkway. In 2018 Bryan was promoted to his current position as Facilities Manager. Bryan holds a BA in Film from Temple University, and an AAS in Architectural Engineering from Penn State. He is Chanticleer's resident film maker, techie, web developer, rugby player, coach, and musician.
